

## How to Use the “Find A Doctor” Search

### Step 1

Go to [www.visioncaredirect.com](http://www.visioncaredirect.com)

### Step 2

Go to the top of the page and click on “Find A Doctor”

This will open a new Window on top of the page that will allow you to set your criteria.

### Step 3

- Click on the dropdown arrow in the state box
- Enter your state

#### Want All Doctors in a particular city?

- Enter your city in the “City” box
- Enter the zip code in the “miles of zip code” box
- Enter the radius or distance you are willing to travel from this zip code using the down arrow in the “Search” in the top left-hand corner of the window
- Click on the blue/grey “Search” Button on the bottom left-hand side

Please Note: Obtaining service from an open access provider will reduce the value you receive from your membership.

## How to Search for a Specific Provider

- Enter the State using the down arrow in the “State” box
- Enter the city in the “City” Box if you know it
- Enter Providers last name in the “Doctor’s Last Name” box
- Click on the blue/grey “Search” Button on the bottom left-hand side

## Viewing Details of Provider Locations

Once you have completed your search you can view details of each office by Clicking on the blue “View Details” link found above each provider listing.

You can also view a map to help you find the office by clicking on the blue “view Map” link found under the distance from zip number listed at the far right of each listing when you used a zip code search.

The screenshot shows a search results page for providers. On the left is a search filter panel with fields for State (KS), City, Search (50 miles), miles of ZIP code (66757), and Doctor's Last Name. Below these are checkboxes for Services (Exams, Lasik pre and post-op care), Products (Glasses, Contacts, Computer Wear, Safety Wear), and Programs (VCD PLUS). A blue 'Search' button is at the bottom of the filter panel. The main content area displays a list of providers. Each listing includes a 'View details' link at the top right, the provider name, address, phone number, and a 'VCD PLUS' logo. The distance from the zip code is shown on the right, with a 'View map' link below it. Red arrows point to the 'View details' link for the first listing, the 'View map' link for the first listing, and the 'VCD PLUS' logo for the last listing. At the bottom, there are navigation links (Prev, 1, 2, 3, Next) and a 'Print Directory' dropdown menu.

Remember that Provider listings that include the VCD Plus logo indicate those doctors who have agreed to enhance a member’s benefit with anti-reflection coating and up to a digital progressive lens type at no additional cost when members have a VCD PLUS plan.

When you click either of these buttons a new view will open showing the map and three tabs that will allow you to move back and forth for more information about the practice

To find doctors at the practice just click on the **“Doctors at Location”** tab at the top of the page

To see services and products at the practice just click on the **“Services and Products”** tab.
